Arabic	Mother Tongue	Mother Tongue	Mother Tongue
English	Excellent	Excellent	Very good

Academic Qualifications (Beginning with the most recent)

Date	Academic Degree	Place of Issue	Address
2005	Doctor degree in Nursing,	College of Nursing and Health Science, George Mason university	Fairfax, VA, USA
1995	Master degree in Community Health Nursing /	Higher Institute of Nursing, Alexandria University.	Alexandria, Egypt
1987	Bachelor Degree in Nursing/	Higher Institute of Nursing, Tanta University.	Tanta, Egypt
2005	Certificate in "Quality Improvement and Outcomes Management in Health care Systems"	College of Nursing and Health Science, George Mason university	Fairfax, VA, USA
2006	ICDL Certificate	International Computer Driving License, IT Center, Tanta University, Egypt	Tanta, Egypt

PhD, Master or Fellowship Research Title: (Academic Honors or Distinctions)

PhD	Faculty Members' Perceptions Regarding Importance And Application of Identified Benchmark Indicators to Ensure Quality of Internet-Based Nursing Courses
Master	Awareness of working women (Tanta University) about the menopausal changes

Professional Record: (Beginning with the most recent)

Job Rank	Place and Address of Work	Date
Associate Professor	Community Health Nursing Department, College of nursing, Dammam University, Kingdom of Saudi Arabia.	May 8, 2016 - present
Assistant Professor	Community Health Nursing Department, College of nursing, Tanta University, Egypt	July 2014 – May 2016
Assistant Professor	Community Health Nursing Department, College of nursing, Dammam (King Faisal previously) University, Kingdom of Saudi Arabia.	Feb. 17, 2008 – July 2014
Lecturer Manager of E-Learning Unit	Community Health Nursing Department, Faculty of Nursing, Tanta University, Egypt. Faculty of Nursing, Tanta University, Egypt.	December 2005 – Feb. 16, 2008 December 2006 – Feb. 16, 2008
Research Associates	InsureMoreVirginians.org, State Project Grant, College of Nursing and Health Science, George Mason University, VA, USA.	October 2004 – March 2005
Research Assistant	Dr. PJ Maddox “State Grand Plan for Uninsured employees” and “Response to Emergencies and Disasters Institute READI” summer and fall, College of Nursing and Health Science, George Mason University USA. Jean Moore , Anemia in Nicaraguan Adolescent Girls, College of Nursing and Health Science, George Mason University, VA, USA. Dr. Ronni Feeg , School Nurse Survey. College of Nursing & Health Science, George Mason University	January 2004 – September 2004 March 2003 – August 2003 January 2002 – August 2002
Worked as a trainee for Distance Education	IMED LINK the sponsored center to obtain Internet-based course for College of Nursing and Health Science, George Mason University, VA, USA.	October 2002– January 2003
Assistant Lecturer	Community Health Nursing Department, Faculty of Nursing, Tanta University, Egypt.	April 1996 – May 2000
Instructor	Community Health Nursing Department, Faculty of	April 1989 – March 1996

Job Rank	Place and Address of Work	Date
	Nursing, Tanta University, Egypt.	
Internship program	Tanta University Hospitals, Egypt.	September 1987 –August 1988
Staff nurse & ICU nurse	Ramadan Private Hospital, Tanta, Egypt.	January1987 –April 1989

Administrative Positions Held: (Beginning with the most recent)

Administrative Position	Office	Date
Chair person of Admission and registration unit	College of nursing, Dammam University	7/2016
Co-Chairperson of E-Learning unit	College of nursing, Dammam University	7/2016
Acting chairperson of community Health Nursing Department	College of nursing, Tanta University	2015-2016
Chairperson of 4 th grade control	College of nursing, Tanta University	2014-2016
Membership of college council	College of nursing, Tanta University	2014-2016
Chairperson of e-learning unit	College of nursing, Tanta University	2014-2015 , 2006/8

Brief Description of Undergraduate Courses Taught: (Course Title – Code: Description)

1	<p>Nursing Management & Leadership (6 credit hours 3 theory & 3 Clinical) 4th grade. College of Nursing, Dammam University, Kingdome of Saudi Arabia 2016/2017.</p> <p>This course describes the concepts and principles relevant to managerial functions: planning, organizing, staffing, directing and controlling and their application in different nursing situations at the various health care settings. Also, it focuses on the key issues in nursing leadership, concepts and their application into practice. This course will expose the student to the principles of quality management (QM), process of total quality management (TQM) and continuous quality improvement (CQI) and risk management including approaches in identifying and managing health care problem.</p>
2	<p>Family and Community Health Nursing, (60 hours theory and 270 clinical practice), 4th grade. College of Nursing, King Faisal University, Kingdome of Saudi Arabia (2008, 2009, UD, 2010, 2011).</p> <p>This course prepares the student to participate through nursing actions in all the public health care services provided in the Saudi community. The family, as the primary unit of the community, is the focus of care. This includes health services of preventive, Promotive and curative levels to all members of the family considering their special developmental needs. The student is oriented to use all the available community health resources to accomplish the goals of primary care. Clinical exposure of the student is provided</p>

	through health care centers. The student is required to integrate all previous nursing knowledge and skills to suit the nature of the health problems that may be encountered.
3	<p>Nursing Informatics, (15 hours theory and 90 clinical practice), Bachelor Degree Program, 1st grade. College of Nursing, King Faisal University, Kingdom of Saudi Arabia (2008, 2009, UD, 2010- 2014).</p> <p>This course is designed to provide the student with an introduction to nursing informatics field. Foundations course that emphasis on essential applications in health care informatics and clinical system, which provides understanding of the interdisciplinary issues in nursing informatics. The course focuses on information technologies in health care, nomenclatures, and classification systems, health care documentation, electronic health records, and web-based technologies for health care.</p>
4	<p>Geriatric Nursing 2 credit, Dammam University, 2010-2014.</p> <p>The course provides information to prepare the students to provide high quality nursing care of the elderly. It includes theories and concepts of aging, demographic transition, and morbidity and mortality rates among Saudi elderly population. The physiologic and psychosocial changes and problems associated with these process, and the appropriate nursing interventions include nursing care, management, health teaching and utilize appropriate referral to appropriate community resources. Ethical and legal aspects of caring for the elderly are addressed. Application of the nursing process, levels of prevention including health promotion, specific protection measures, early detection, diagnosis and prompt treatment to prevent further complications, disability limitation and rehabilitation.</p>
5	Fundamental Nursing 7 credit, college of Nursing, Dammam University, 2010-2011.
6	Information Technology for nurses 4 credits Dammam University (2008, 2009, 2010, 2011).
7	Health Fitness 2credits Faculty of Arts, Dammam University, 2010-2011.
8	Introduction for computer uses (15 hours theory, and 15 hours clinical practice/semester for one semester). 1 st grad. Faculty of Nursing, Tanta University, Egypt ((2005 – 2008).
9	Computer applications in Nursing (15 hours theory, and 15 hours clinical practice/semester for one semester). 4 th grad. Faculty of Nursing, Tanta University, Egypt ((2005 – 2008).
10	Pediatric Nursing , (180 clinical practice), Bachelor Degree Program, 4 th grade, College of Nursing, King Faisal University, Kingdom of Saudi Arabia (2008).
11	Community Health Nursing , (60 hours theory and 270 clinical), Faculty of Nursing, Tanta University, Egypt ((2005 – 2008).
12	Gerontological Nursing , (15 hours theory and 30 hours clinical), Faculty of Nursing, Tanta University, Egypt ((2005 – 2008).
13	Introduction to Computer Science , In Arabic (30 hours theory and 30 hours clinical practice), 1 st grade Medical Secretary Program, Faculty of Nursing, Tanta University, Egypt (2006 – 2008).

Postgraduate

#	Course/Rotation Title	No./Code	Extent of Contribution (no. of lectures /Tutorials. Or labs, Clinics)
1.	Nursing Informatics	2610-522	Course coordinator, 8 lectures and lab
2.	Recent Issues and Trends in Nursing Science	Nurs507	Course coordinator, 9 lectures
3.	Evidence-Based Midwifery		3 lectures
4.	Community health nursing	Nurs505	6 lectures
5.	Health Education and Counseling for midwives		5 lectures
6.	Nursing Bio-Informatics		Course coordinator, 6 lectures & lab
7.	Community Health and Gerontological Nursing		Course coordinator, 12 lectures & clinical
8.	Studying Community and its Problems		Course coordinator, 10 lectures

Brief Description of Postgraduate Courses Taught: (Course Title – Code: Description)

1	<p>Nursing Informatics, (20 hours theory, and 45 hours clinical practice), Master Preparatory program, College of Nursing, King Faisal University, Kingdome of Saudi Arabia (2008, 2009, UD, 2010- 2014 , 2016).</p> <p>This course is introduces students to applications of informatics systems in nursing practice, education, research and administration. Integrating various theories, students come to understand the importance of becoming knowledge workers and develop skills for information literacy. Students are introduced to computer hardware, software, databases and communications applications. Developments in computer technologies are discussed in the context of telehealth, e-health, distance education and research. Associated human-computer interaction and legal and ethical issues are addressed. Students learn how nurses can assess, develop and use nursing information systems to work more efficiently, allocate resources more effectively and improve client care.</p>
2	<p>Recent Issues and Trends in Nursing Science, (45 hours theory/semester for 1 semester) Master Degree Program 2006/2007. Faculty of Nursing, Tanta University, Egypt ((2005 – 2008).</p>
3	<p>Evidence-Based Midwifery (15 hours theory), High diploma in nursing Midwifery program. College of Nursing, King Faisal University, Kingdome of Saudi Arabia (2008).</p>
4.	<p>Community health nursing (15 hours theory), High diploma in nursing Midwifery program. College of Nursing, King Faisal University, Kingdome of Saudi Arabia (2008).</p>
5	<p>Health Education and Counseling for midwives, (15 hours theory, and 45 hours clinical practice), High diploma</p>

	nursing Midwifery program. College of Nursing, King Faisal University, Kingdome of Saudi Arabia (2008).
6	Nursing Bio-Informatics , (30 hours theory, and 45 hours clinical practice), High diploma in nursing Midwifery program, College of Nursing, King Faisal University, Kingdome of Saudi Arabia (2008).
7	Community Health and Gerontological Nursing, (45 hours theory, and 270 hours clinical practice / semester for 2 semesters), Master Degree Program, Specialty course in Community Health Nursing.
8	Studying Community and its Problems, (60 hours theory / semester), Master Degree Program, Preparatory course.
