

# FACULTY FULL NAME: Dr Brett Williams

POSITION: Professor

## Short Bio:

Professor Brett Williams is a leading educator and researcher in paramedicine and health professions education. He is the Professor of Paramedicine at Imam Abdulrahman Bin Faisal University, where his work focuses on simulation-based learning, non-technical skills, and workforce development in emergency care. Professor Williams has published extensively in peer-reviewed journals and is recognised internationally for advancing paramedic education research and curriculum innovation. He has supervised numerous postgraduate students and contributes to major national and international collaborations aimed at strengthening paramedicine as a profession. His leadership continues to shape policy, standards, and the future direction of paramedic practice internationally.
