	Melbourne, Australia, and set up in the the period 15-18 Muharram 1435 AH within the Deanship of Academic Development Programs	direct self-education.	speech d. Ahmed Kbaha within lectures Deanship of development of university education on Wednesday, 12/18/1434 AH.
4	Attending the creation and development of academic programs in accordance with the quality standards and the Faculty of Science held within development programs in 09/01/1435 AH. Prepared by Dr. Iman Mohamed Saleh.	Attend the first training session of the toxins in the regional center of the Central Hospital Dammam toxins.	Attend a lecture (nano) technology to Dr. awaref Hindi Professor of Physics, Department of Physics, King Saud University, Department of Physics within the scientific research activities in Wednesday, 29/05/1434 AH.
5	Attend a workshop in the field of academic tasks in guiding 01/19/1434	Improve your English communication through self- directed learning (English Language Course organized by Saudi Aramco	Attend a lecture (employee ethics and their rights at work) delivered by Deputy Supervisor General of the World Youth Forum the Islamic by nahed alageel Ibrahim in collaboration with the Director of Employment and Civil Service Office(women section) by raja almohandes in 07/02/1334 AH
6	Attend a workshop in the development of postgraduate programs curricula	The presence of Microsoft office productivity) cycle) and organized by Saudi Aramco in October, 4.5 (2009).	Attend a lecture entitled Pathogenomis of globally significant uropathogenic E.coli (pathogenecity) during the period December 12, 2011
7	Attend a number of workshops in different times during the first which second of the year 1433/1434 in the field of Blackboard applications	Attended a course (search mechanism in libraries, periodicals and scientific centers of global services in Scholar site (Searching mechanism in international libraries, journals and scientific service center in	Attend a lecture titled interactive lecture within the Deanship of university development programs

		scientific researcher website).	
		which organized by the Deanship of Scientific Research, Faculty of Science, King Faisal University. In the period from December 2009 28-29-	
8	Attend a workshop for curriculum design which educational outcomes provided by D.dalal Shanqeeti within Deanship of Academic Development Programs	Attend the training course organized by the Deanship of Quality at the University of Dammam in cooperation with the Faculty of Education at the University of Dammam, which entitled (in skills programs and courses characterization) which held from 26-28 / 5/1432 AH	Attend a lecture on the basics of student evaluation in higher education held on 12/17/1434 AH. Within Deanship of development in university education programs.
9	Attend the workshop teaching excellence which provided by d, seham Alseweg within the education unit of the Deanship of University Development of Science programs in the period 15.16 / 3/1433 e	Attend the several courses in the field of guidance and academic counseling.	Attend a lecture in academic writing entitled cause the mistakes most nine among the scientific journals publishing in rejection by the Arab researcher Dr. Steven Wallace within the Deanship of Scientific Research Programs
10	Attend a workshop in the field of teaching and learning, and organized by the Deanship of Academic Development at the University of Dammam, in collaboration with the Education, University of London Institute, which was held during the period 24-26 October 1432, corresponding to 20 to 22 September 2011 and at Dammam University .		Attend a lecture good test in 6/9/1433 within science education unit of Dammam University Dr. Mahmoud Abu Gádor of the Faculty of Education, University of Dammam .
11	Attend a workshop strategies Measurement and Evaluation in Higher Education organized by the Deanship of University Development in collaboration with the University of London, in the period 10 to 12 April 2012		Attend a lecture communication skills within the unit and science education programs at the Deanship of University Development in 04/19/1433 AH
12	Attend a workshop in the initialization week for faculty members and provided		Attend a lecture by the use of modern

	by the Deanship of University Development at the University of Dammam entitled (interactive education and the integration of students in learning) on 26-3-1435h	technologies in education (educational technology) in the April 2, 2012
13	Attend a workshop in the initialization week for faculty members and provided by the Deanship of University Development at the University of Dammam entitled (effective methods in the evaluation of students) on 27-3- 1435h	Attend a lecture academic achievement calendar in Higher Education Dr. Abdullah Doughan from the Faculty of Education at King Faisal University
14	Attend a workshop in the initialization week for faculty members and provided by the Deanship of University Development at the University of Dammam entitled (view the experiences of Dammam University Award winners for excellence in teaching) on 28-3- 1435h	Attend a lecture on the ethics of the teaching profession 21/3/1433 delivered by Dr. Abdullah algathy
15	Attend a workshop in antibiotics in 12,13 Nov 2014 in king fahad university hospital –khobar city Which provided by Saudi society of microbiology and infectious diseases	Supervision and regulation of many lectures and courses for students. Attend a lecture entitled (10 steps in building self) dropped d. Nabila Al Dosari within Biology club program in .01/08/1437 AH
16	Attend a workshop entitled (teaching through projects), in the period 02.11.1436 Deanship programs within the development of university education	Organizing Field trips for students to search graduation Microbiology Laboratory at King Fahad Al-Khobar in cooperation with the attorney society and sustainable environment and service office in the .December 8, 2014

17 Attend a workshop entitled (the student's identity as an entry point for success) and that on 05.11.1436 within the Deanship of university development
