Deanship of Academic Development conducts the following training sessions

Program	Duration	Date	Venue
Developing Core Competencies in Teaching and Learning for Faculty Members (38) - A female-only session -	4 days (8:00 a.m. – 02:30 p.m.)	Mon – Tues (15-16 Oct 2018) Wed – Thu (24-25 Oct 2018)	Deanship of Academic Development

"Developing Core Competencies in Teaching and Learning for Faculty Members" is an intensive training program that was developed based on the best practices in the field of teaching competencies of faculty members and faculty development.

Program Outcomes

1. To support the Deanship of Academic Development's vision and mission of fostering excellence in teaching and learning within the University's academic community.
2. To raise awareness of and explore the foundations, elements, and concepts related to the educational process overall and within specific disciplines.
3. To offer a forum where faculty members can share their experiences and reflect on educational theory and practice and their related implications.
4. To support and nurture faculty members' instructional knowledge, skills, and attitudes to create an ideal learning environment for IAU students.
5. To understand the roles and responsibilities of a faculty member in the teaching and learning context.
6. To encourage faculty members to continuously seek academic development opportunities and resources that support educational practice and lifelong learning.
