

The Children of Our Fallen Heroes Celebrate a Green National Day with the College

This national day was certainly special, as the college welcomed the sons and daughters of martyrs who gave their lives in the line of duty. The event held at the female campus was in collaboration with the Wafa office Eastern Region Department of Education. The president of the university H.E Professor Abdullah Alrubaish was among the first who attended. Eighty-four females and twenty male volunteers including students and interns made sure that face-painting, educational and play stations were fully operational. As a community service, oral screenings and cleanings were also performed. Everyone was given the opportunity to express their thoughts and prayers on a letter board dedicated to our troops. Seeing the children leave with smiles on their faces was heartwarming, the college hopes to welcome them back soon.

College Orientation Day for Students

The semester started off with an orientation day for students held at the main campus convention center. During the orientation the dean Professor Fahad Alharbi gave a presentation stressing the importance of surveys and feedback. The vice dean for academic affairs Dr. Asim Alansari gave a presentation emphasizing all updates in rules and regulations. The vice dean for research and postgraduate studies Professor Emad Alshwaimi, gave an insight on all research opportunities and facilities available at the college. Finally, the vice deanship for clinical affairs in collaboration with the directorate of dental quality & safety provided a comprehensive hospital orientation and presentation which was given by the screening and emergency clinic director Dr. Anas Hawsawi.
