## Choosing a medical Specialty

Place of Activity	College of Medicine
Date of activity	11-12/11/2021
Time of activity	8 am to 2 pm
Number of attendees	200

The document on hand is a narration of “Choosing a medical specialty? Hear it from experts” workshop which was conducted by the College of Medicine’s Alumni Unit at Imam Abdulrahman Bin Faisal University on November 11<sup>th</sup> to 12<sup>th</sup> 2021 at College of Medicine from 8:00 am to 2:00 pm. The main goal of the workshop is to help the medical students to determine which medical specialty is most suited for them through conducting different sessions.

On April 8<sup>th</sup> the workshop started with a speech by the the Head of Medicine Alumni and Career Development Unit Prof. Abdulrahman Alanzi. Then Dr. Mohammed Alshahrani started the session with “Mapping your Journey”, After that Dr. Ahmed Ammar spoke about “Crossroad of a medical decision” and finally Dr. Abdullah Alardhi spoke about “CV and SCFHS Requirements”.

On April 9<sup>th</sup> and 10<sup>th</sup> there was multiple workshops introduced by different doctors to speak about the advantages and disadvantages of each specialty.
