COVID-19 Research

The Otolaryngology-Head&Neck Department 's priority is the health and safety of its students, faculty, staff, and community. Otolaryngology Department has taken the following steps to ensure the safety and wellbeing of our community:

- Establish the Otolaryngology- Head and Neck Clinical service Guideline
- Establish the Airway -Covid 19 TEAM
- Establish the Tracheostomy Surgical Guideline according the international standard
- Stated the Research projects in different specialities regarding Coronavirus disease 2019 (COVID-19) crisis in medical and surgical field of the ORL-HNS department
- The department is supporting its researchers to innovate research breakthroughs and make new discoveries that can help in managing COVID-19 patients and those affected by its collateral damage.
