

# Publications Statistics

Dec. 7, 2017

This document gives an overview of the journal papers statistics published by the college of engineering at Imam Abdulrahman Bin Faisal University over a span of six years. There is a clear trend of an increase in the published journal papers that are indexed in Web of Science and/or Scopus. Hence, it is evident that the college of engineering has a great potential for further development.

## 1. Total Number of Papers

Figure 1 summarizes the total number of published journal papers indexed in Web of Science (WOS) or Scopus and Non-WOS journals by faculty members of the College of Engineering (COE) starting from 2012 until 2017.

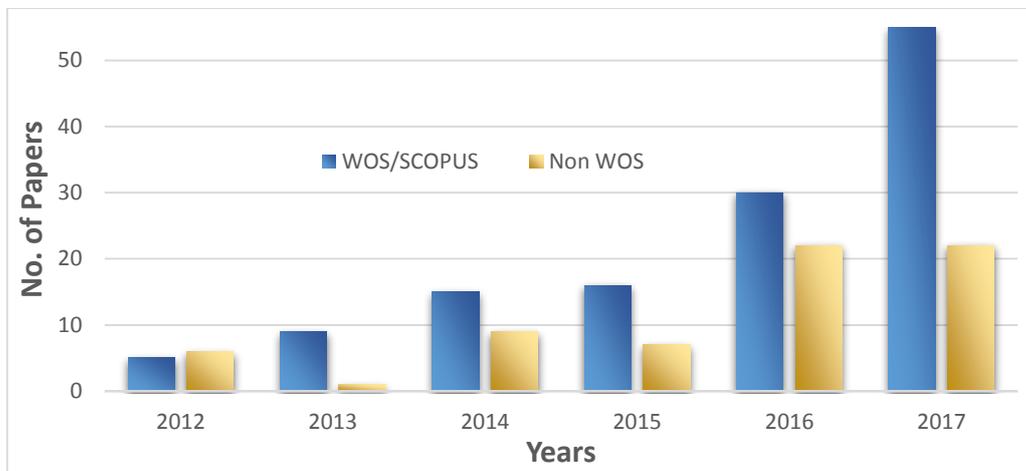

Fig. 1: Total number of journal papers of the college of engineering versus the year of publishing.

## 2. Departments Publications

Figure 2 illustrates the number of published papers in WOS or Scopus indexed journals divided by the number of the faculty members in the respective department over the years of 2012 to 2017.

### 3. Number of Papers per Department

Figure 3 shows the number of published journal papers indexed in Web of Science (WOS) or Scopus for College of Engineering (COE) departments starting from 2012 until 2017.

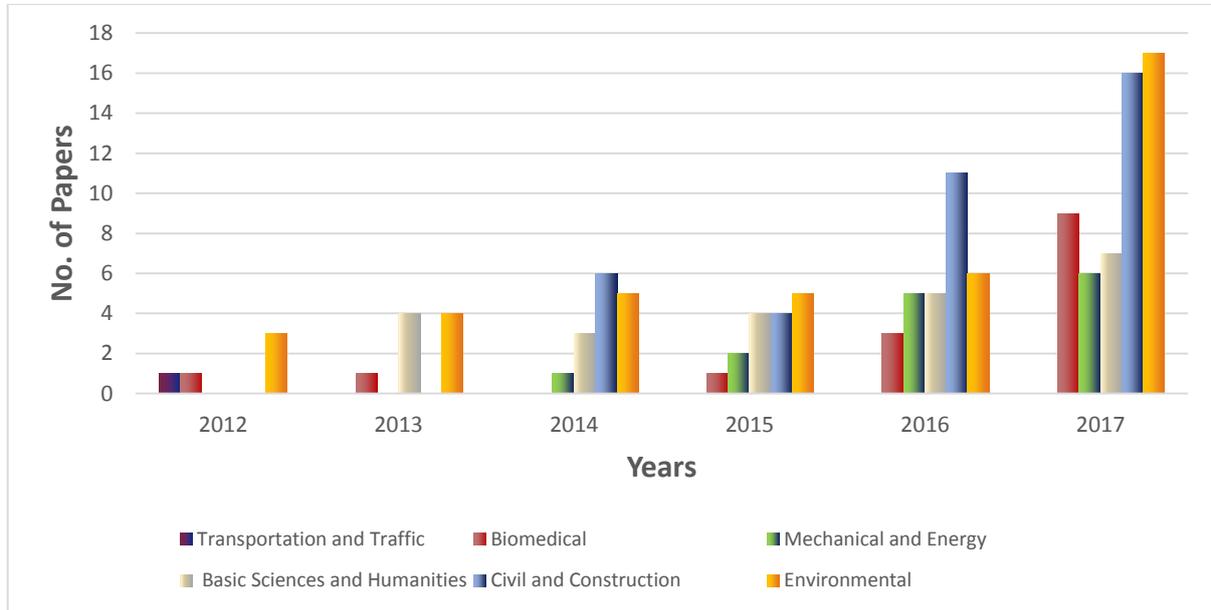

Fig. 3: Total WOS/Scopus department publications.

Figure 4 represents the number of published journal papers in Non-WOS indexed journals for college of engineering departments starting from 2012 until 2017.

## 4. Active Faculty Members

The active members in each department in research activates are listed below after excluding the faculty member who joined the college in 2017.

### **Environmental Engineering: (100% of the department)**

- Dr. Nawaf Isam Blaisi
- Prof. Omer AGA
- Prof. Isam Mohammed Abdel-Magid Ahmed
- Dr. Habis Al-Zoubi
- Dr. Ismail Anil
- Dr. Nuhu Mu'azu
- Eng. Mukarram Zubair
- Eng. Mohammad Saood Manzer
- Eng. Iehab Mohamed
- Eng. Goulrazi Khan

### **Civil and Construction Engineering: (100% of the department)**

- Dr. Walid Abubaker Al-Kutti
- Dr. Sayed Mahmoud Hussein Abdein
- Dr. Ahmed Salman
- Dr. Mahmoud Sodangi
- Dr. Mostafa El-Shami
- Dr. Zaheer Kazmi
- Dr. A. B. M. Saiful Islam
- Eng. Muhammad Nasir

### **Mechanical and Energy Engineering: (71% of the department)**

- Dr. Fahad G. Al-Amri
- Dr. Muhammad Saleem
- Dr. Muhammad Umer
- Eng. Muhammad Abid
- Dr. Amr Owes Elsayed

### **Biomedical Engineering: (63% of the department)**

- Dr. Abdul-Hakeem AlOmari
- Dr. Ibraheem Al-Naib
- Dr. Gameel Saleh
- Dr. AbdelAziz Matani
- Dr. Mahbunnabi Tamal

### **Basic Sciences and Humanities: (27% of the department)**

- Dr. Abdullah Manda
- Dr. Tarek Said Kayed
- Dr. Zeyad Al-Zhour

### **Transportation and Traffic Engineering: (100% of the department)**

- Dr. Sami Abdalla Osman

## 5. Publication Rate of the Active Members

Figure 5 demonstrates the publication rate, which is calculated as the number of published papers of each of the active members per the number of the years since the faculty member joined the college and for the papers with the affiliation of the UOD/IAU in the years of 2012 to 2017.

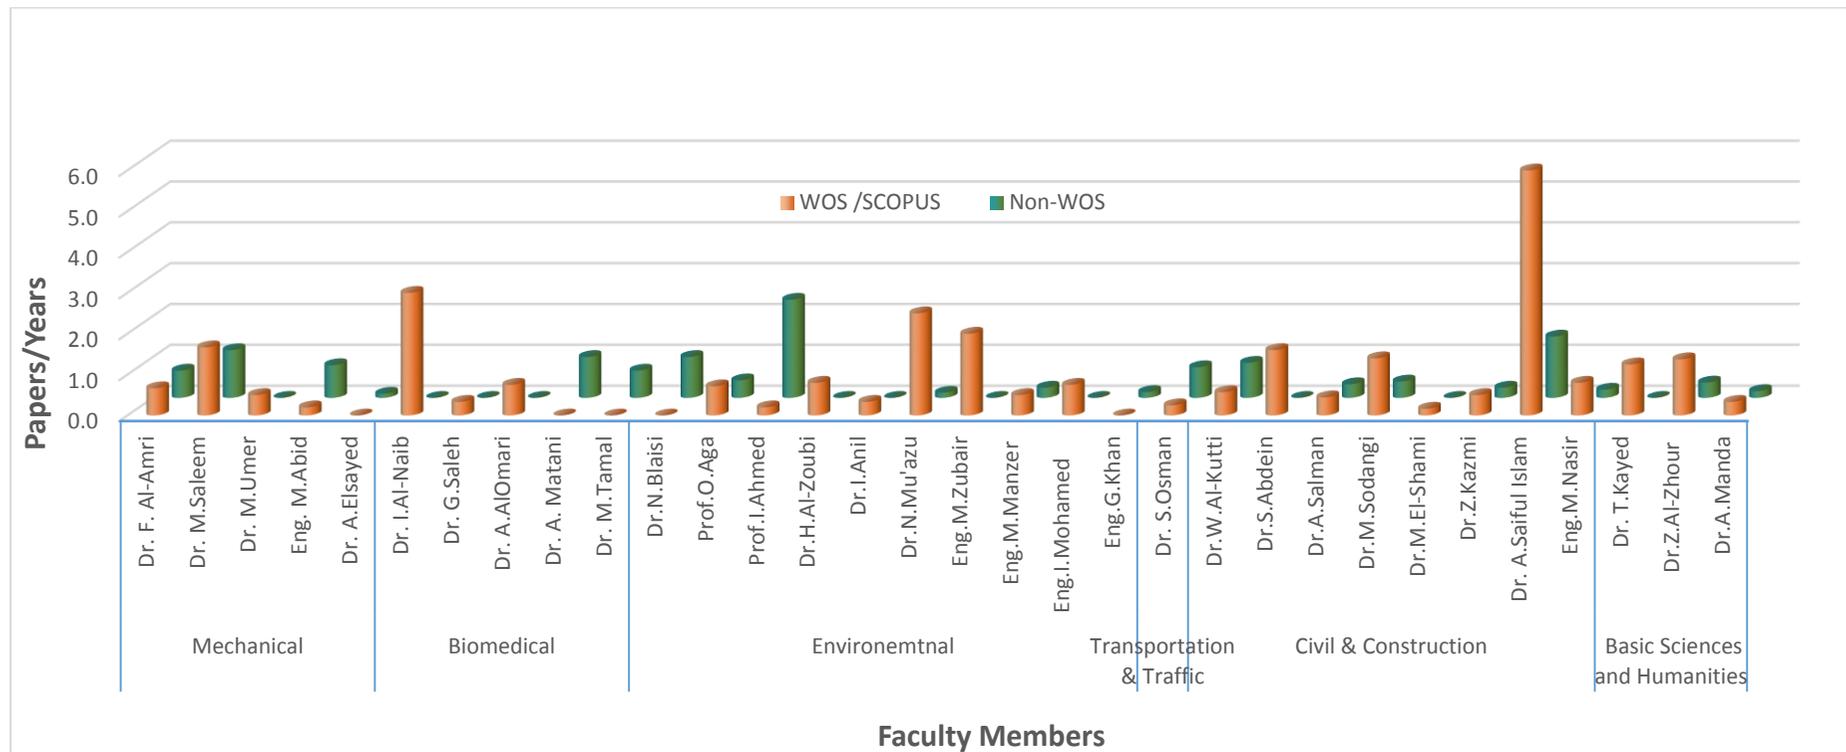

Fig. 5: College of engineering faculty publication rate (WOS/SCOPUS and Non-WOS).

## 6. Faculty Members with Highest WOS Publication Rate

The faculty members with the three highest publication rate of journal papers published in WOS/Scopus with the affiliation of UOD/IAU are listed below.

#	Faculty name	Publication Rate
1	A. B. M. Saiful Islam	6.0
2	I. Al-Naib	3.0
3	N. Mu'azu	2.5
