Our Institution - Imam Abdulrahman Bin Faisal University

Welcome to the start page for the Imam Abdulrahman Bin Faisal University on *Research Professional. Key advantages of the site include: -An intuitive interface to make browsing for funding as simple as checking your email. - Shared resources, allowing you to benefit from saved searches and folders of bookmarked items created for you by your administrators. - Powerful search tools to help you find exactly the funding opportunities that interest you. To help you get started on the site, you might want to take a look at the available help resources. These include: Video introductions, a collection of short (1-2 minute) videos that will introduce you to the basic functions of the site. Quick start guide, a downloadable PDF guide that will walk you through your first steps with the new site. [Here](#)

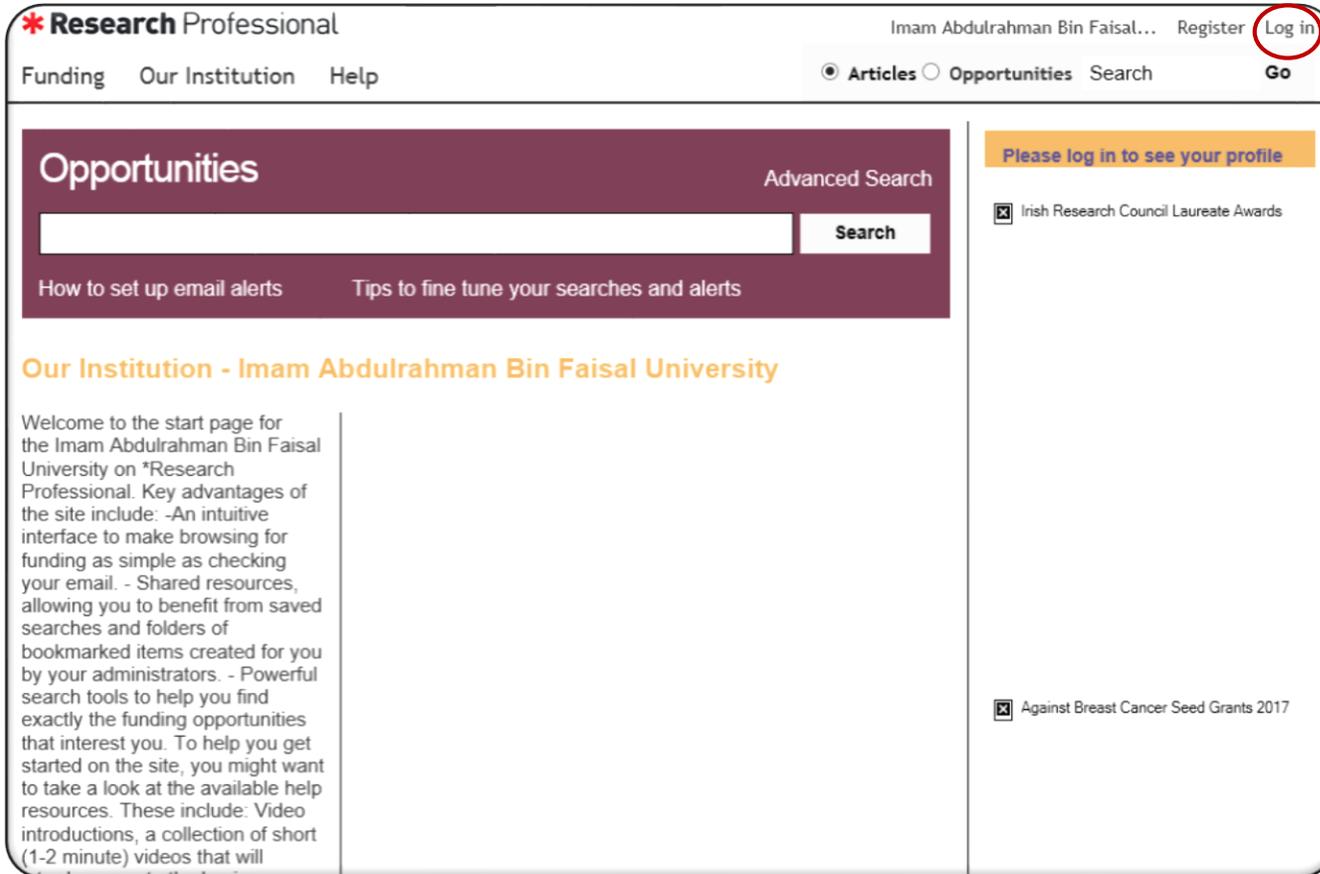

Step 1. Click on www.researchprofessional.com

If you are accessing the [website](#) on campus (IAU domain), you will be directed to this screen.

You can search by simply typing any keyword in the search box. For specified search, use Advanced Search option.

You can access *Research Professional services with your *Research professional account from anywhere, it's a non-IP based subscription.

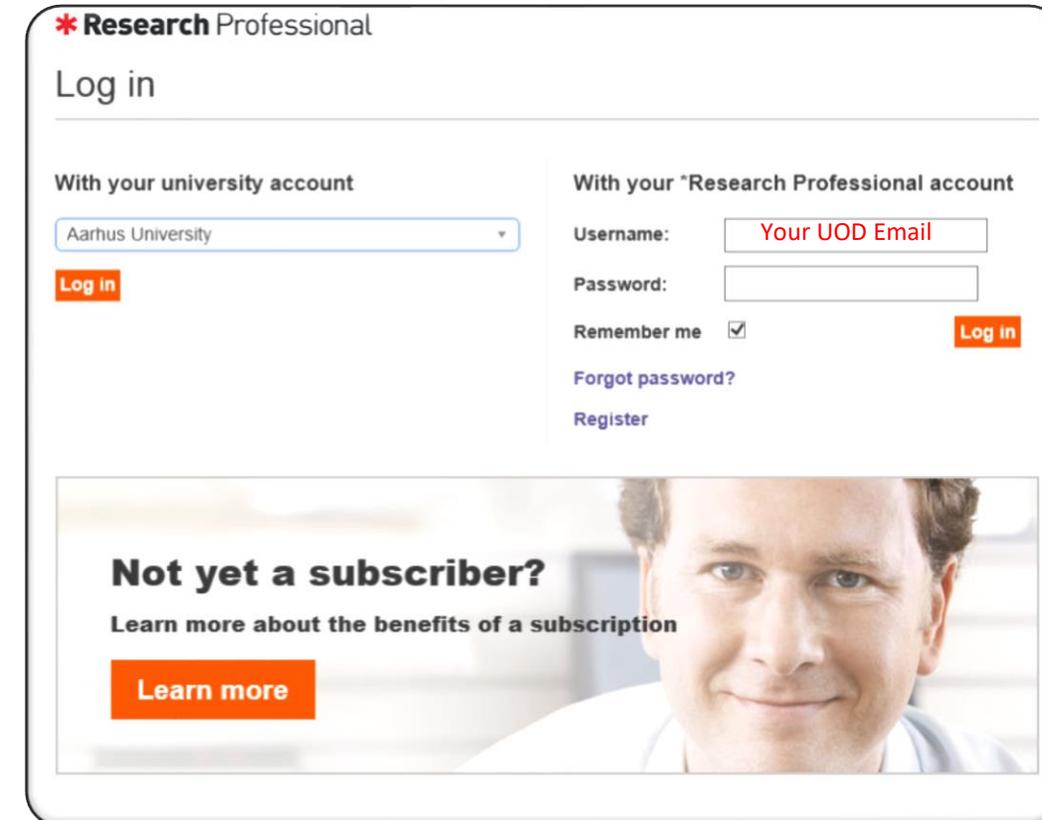

In order to access Research Professional off campus, or to save searches or to create e-mail alerts to saved search, you need to login.

Step 2. Click on “Login” shown at the top on the right hand side of the page.

You will see the below screen.

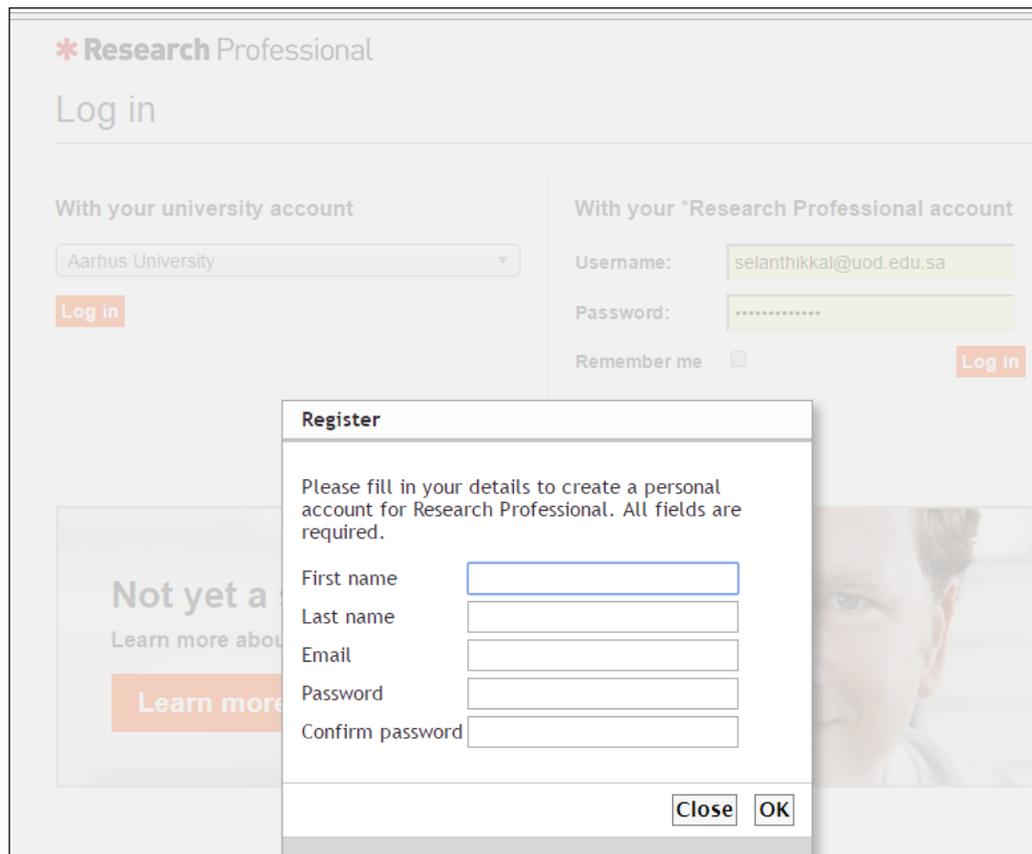

Login with your University email and the password received in your welcome email from *RP (Client Services) Email: Research@cmp.dotmailer.co.uk

You can access *Research Professional services with your *Research professional account from anywhere, it's a non-IP based subscription.

No account?

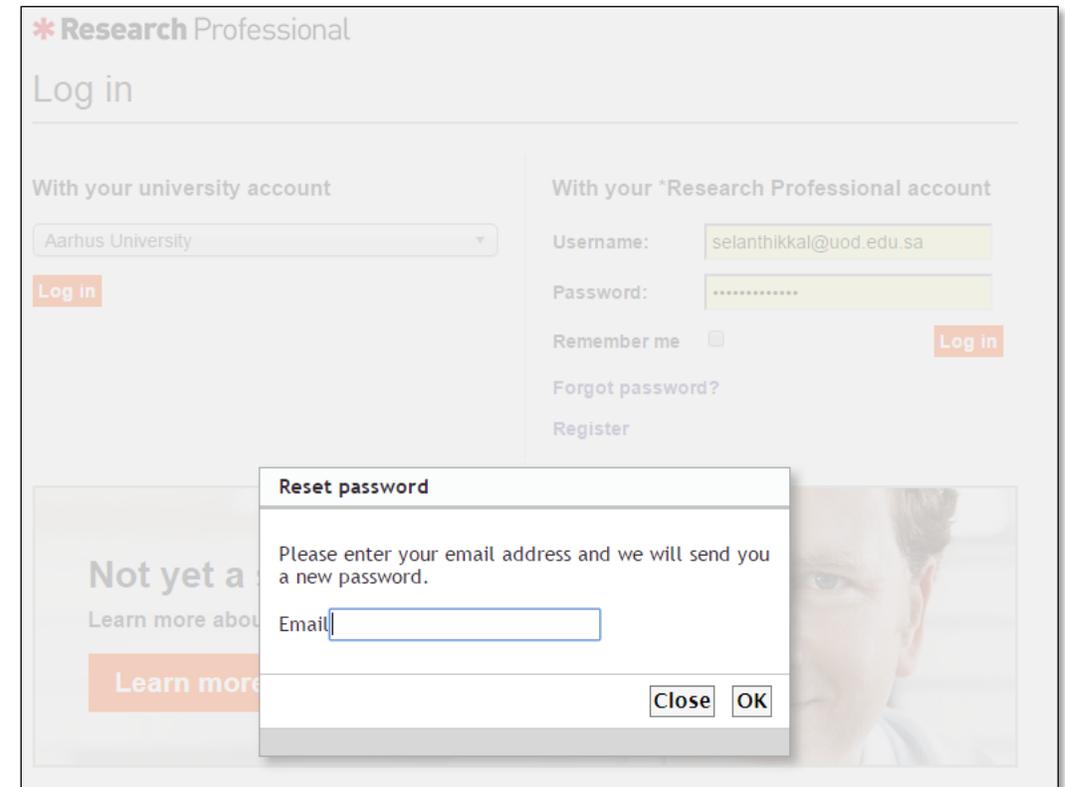

If you don't have account, you can create account by clicking on "Register". Please note this option is available when you are on campus, at IAU domain. Fill in your details, provide your IAU email and then click OK.

The screenshot shows the Research Professional login interface. On the left, there is a "Log in" section with a dropdown menu for "With your university account" (currently showing "Aarhus University") and a "Log in" button. On the right, there is a "Log in" section for "With your *Research Professional account" with fields for "Username" (containing "selanthikkal@uod.edu.sa"), "Password" (masked with dots), a "Remember me" checkbox, and a "Log in" button. A "Register" modal is open in the foreground, containing the text: "Please fill in your details to create a personal account for Research Professional. All fields are required." Below this text are five input fields: "First name", "Last name", "Email", "Password", and "Confirm password". At the bottom of the modal are "Close" and "OK" buttons.

Forgot password?

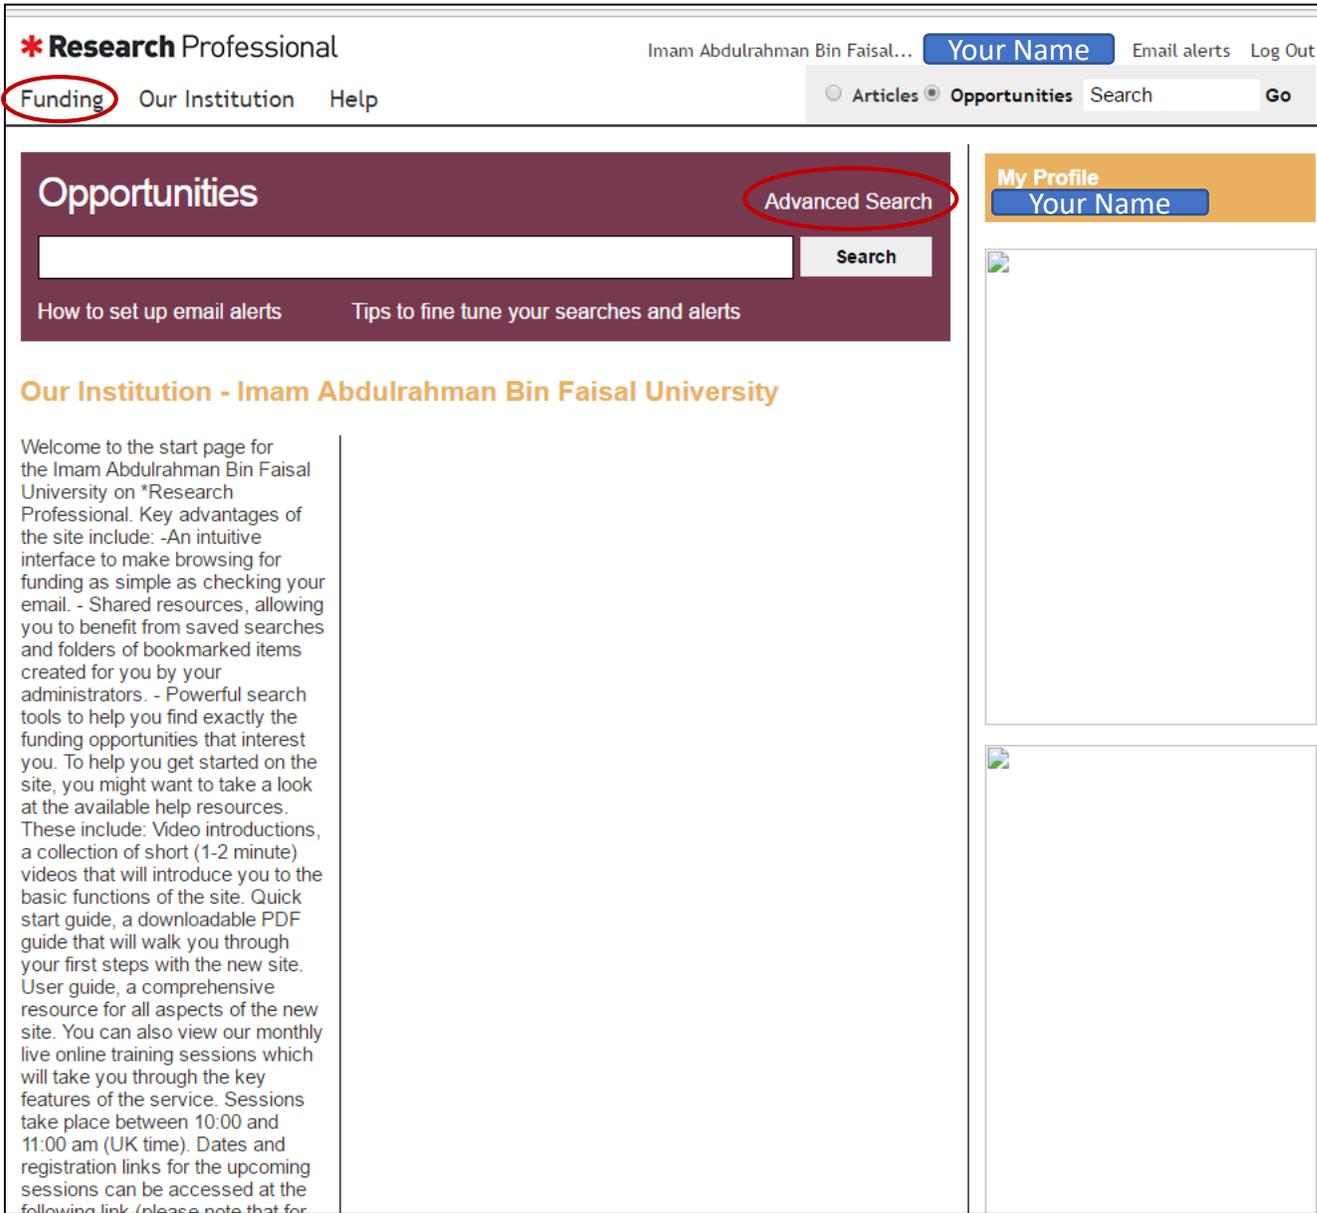

If you forgot password, click forgot password. Provide your UOD Email and click OK. You will receive the new password to your email.

The screenshot shows the Research Professional login interface. On the left, there is a "Log in" section with a dropdown menu for "With your university account" (currently showing "Aarhus University") and a "Log in" button. On the right, there is a "Log in" section for "With your *Research Professional account" with fields for "Username" (containing "selanthikkal@uod.edu.sa"), "Password" (masked with dots), a "Remember me" checkbox, and a "Log in" button. Below the "Log in" section are links for "Forgot password?" and "Register". A "Reset password" modal is open in the foreground, containing the text: "Please enter your email address and we will send you a new password." Below this text is an "Email" input field. At the bottom of the modal are "Close" and "OK" buttons.

Step 3. Search for Funding

If you login, you will see the following screen:

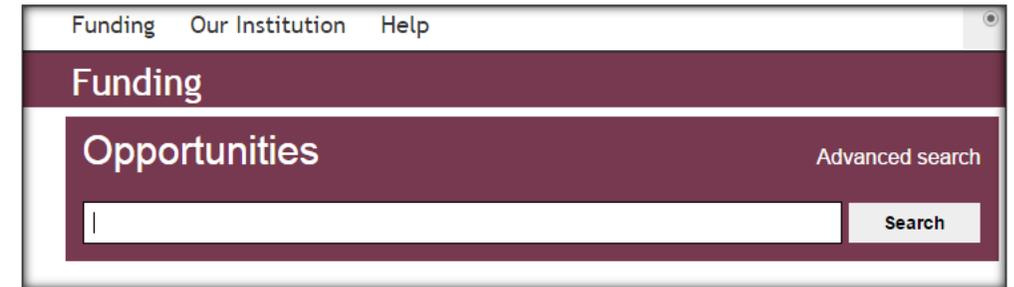

To access the funding opportunities database, click **Funding** in the navigation bar.

There are two ways to search the database for funding opportunities:

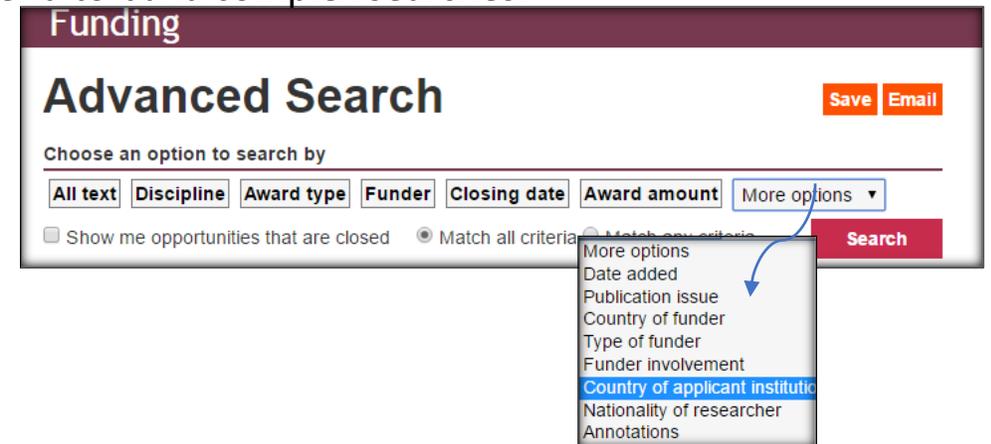

Step 3.a

Simple Search: Type freely into the search box. You can search for the text you entered, or select from a list of discipline areas, funders and award types offered by the auto-suggester

Step 3.b

Advanced Search: This allows you to use a wide variety of criteria to build complex searches.

Step 3 b.,

Advanced Search: Select the criteria you want by clicking on the buttons shown: All text /Discipline/Award type/Funder/Closing Date/Award amount/Country of Funder/Country of Applicant etc. After selecting each criteria, click **Update**.

- All text** - This option will search all text for words entered.
- Discipline** - Funding opportunities in Research Professional have been organized into a tree of disciplines containing several thousand terms from "Arts & Humanities" down to "Museum Architecture" or "Engineering" down to "Mining Safety". You can carry out a free-text search for your discipline or browse.
- Award Type** - This allows you to search for funding opportunities according to how the award prize can be used. Searches for awards that cover travel costs can be specified, or awards that cover publishing costs, with tens of other options available
- Funder** - This allows you to search by the organization providing funding. You can search for funders by acronym or full name; for example NIH or National Institute of Health
- Closing Date** - This search criterion allows you to refine a search by closing date; whether you are interested in funding opportunities that close in the next fortnight, or after a certain date, you can specify here
- Type of Funder** - This option allows you to filter searches according to the type of funder, whether you are curious about grants from non-profit organizations or public sector agencies.
- Country of Applicant Institution** - You will only see funding opportunities which are open to researchers from the country that your institution is based in.
- Country of Funder** - This option allows you to filter searches according to the country of funder.

Step 4. Searching and Saving your Search & Creating E mail alerts

After selecting and updating your search criteria, click on Search. You will see the available funding opportunities.

The image shows two screenshots. The left screenshot is the 'Advanced Search' page. It has a dark red header with the word 'Funding' in white. Below the header is the title 'Advanced Search' and a 'Save Email' button circled in red. The search criteria are set as follows: 'All text' contains (empty), 'Discipline' is 'Biochemistry & Molecular Biology', 'Award type' is 'Directed grants for individual investigators', and 'Country of applicant institution' is 'Saudi Arabia'. At the bottom, there are radio buttons for 'Match all criteria' (selected) and 'Match any criteria', and a red 'Search' button. A blue arrow points from the 'Save Email' button to the right screenshot. The right screenshot is a 'Save search' pop-up window. It contains the text: 'Create a new saved search or save over an existing one. Choosing the "Save and Alert" option will save the search and set you up to receive weekly alerts of this search via email.' There are two radio buttons: 'Create new search:' with a text input field containing 'Name your search', and 'Save over existing search' with a radio button selected for 'Chemistry- for Saudi project opportunities'. At the bottom are 'Cancel', 'Save and alert', and 'Save' buttons.

If you couldn't find funding opportunities for your search this time and want to save your search criteria, Click on Save. A pop-up window will open. Name your search. Then Click Save/Save and alert.

Save: This will allow you to run your search while you log in next time.

Save and alert: If you want to create email alert for your search, click save and alert and provide your email.

You can have many searches contributing to email alerts.

Your saved searches and bookmarks can be viewed on the right hand side of the page when you login.

Step 5: Viewing your results

Your results contain a summary of each funding opportunity, displaying the closing date, opportunity title, funder and maximum award amount (if available). You can sort your results by using the toolbar.

If you want to edit your profile or to change your password..

The screenshot shows the top navigation bar of the Research Professional website. The logo is a red asterisk followed by the text 'Research Professional'. To the right of the logo, the name 'Imam Abdulra' is displayed. Below the logo, there are three links: 'Funding', 'Our Institution', and 'Help'. A brown horizontal bar contains the text 'My profile' in white. Below this bar, the heading 'Manage my profile' is displayed in a large, bold, dark blue font. Underneath the heading, there is a line of text: 'Choose one of the following options below to manage different settings for your profile'. Below this text, there are three links: 'Edit Profile', 'Email Alerts', and 'Funding: saved searches and bookmarks', all in a dark blue font.

Click on your name in the top right hand corner of the page.

Here you will be able to:

- **Edit Profile** You can change your password, add a personal email address and update any contact details.
- **Email Alerts** You can edit the searches contributing to your weekly email alerts by clicking Email Alerts on the top right of the page. Here you will see all personal alerts and alerts from publications. Check the boxes of the items you want to receive as an email alert. Your changes will be saved automatically.
- **Funding: saved searches and bookmarks**

You can access your personalised funding searches and bookmarks from here.
