## 1. Introduction

Imam Abdulrahman Bin Faisal University (IAU) actively collaborates with non-governmental organizations to tackle the SDGs through student volunteering programmes, research programmes, or development of educational resources.

IAU constantly involve in various activities related to SDGs together with other organizations.

Find below some of activities at IAU.

## 2. IAU Concludes the 8th Edition of the Mawhiba Academic Enrichment Program.

Dr. Abdullah Al-Muhaideb stated: "Today we gather to conclude the 2025 Mawhiba Academic Enrichment Program, proudly hosted by Imam Abdulrahman bin Faisal University over the past three weeks in fruitful collaboration with Mawhiba, a pioneering national institution in discovering, nurturing, and developing gifted individuals. One of the main goals of Saudi Vision 2030 is to prepare citizens to be globally competitive. Within this program, Mawhiba developed rigorous academic curricula in specialized fields in partnership with local and international universities, while the university ensured the selection of highly qualified trainers who are graduates of prestigious institutions to empower 320 gifted male and female students to compete globally. By hosting this program for the ninth consecutive year, the university reaffirms its national and academic commitment to fostering excellence, enhancing a culture of creativity, and embracing young talents. We express our sincere gratitude to Mawhiba for this distinguished collaboration that exemplifies effective partnerships between educational institutions and talent development organizations."
