IMAM ABDULRAHMAN BIN FAISAL UNIVERSITY

SDG 17.4.1

IAU Commitment to  
meaningful Education  
2024-2025

## Table of Contents

1.	Introduction .....	3
2.	Courses/Subjects related to Sustainability offered at IAU .....	4
3.	IAU Scholarly Publications on Sustainability: .....	42
4.	IAU's Student Organization related to Sustainability .....	44
5.	Sustainability related startups at IAU .....	73
6.	IAU conducted BLS Course affiliated with the American Heart Association.....	81
7.	IAU Medical Faculty won Gold Medal in the International Exhibition of Inventions in Geneva.....	82
8.	IAU host a seminar on Updates in Glaucoma at Ithra in collaboration with the Saudi Glaucoma Group.....	83
9.	IAU conducted awareness campaign on breast cancer along with the Saudi Cancer Society and Center Al Khobar.....	84
10.	IAU Launches the "Postgraduate Diploma in Museum Studies" in Collaboration with SOAS University of London and with the Support of the Museums Commission at the Ministry of Culture.....	85
11.	IAU, first Saudi university to obtain institutional accreditation from the Royal College of Physicians and Surgeons of Canada.....	86
12.	320 Students Participate in the "Mawhiba Academic Enrichment Program" at IAU.....	87
13.	Participation of College of Engineering of IAU in Energy Debate..	88
14.	Participation of College of Engineering Students of IAU in developing the High Concentrated Photovoltaic (HCPV) system.....	89
15.	College of Engineering of IAU participated in the Solar Energy and Storage Exhibition.....	90
16.	Mechanical and Energy Engineering Laboratories at IAU.....	91
17.	Research groups on Energy at IAU.....	92
18.	IAU College of Engineering Students won Second Place for Project producing Biofuel from Coffee Beans.....	93

## 1. Introduction

Imam Abdulrahman Bin Faisal University (IAU) have a strong commitment to meaningful education around the SDGs across the university, relevant and applicable to all students.

IAU offers courses related to sustainability and conducts various events, workshops, awareness programs, and exhibitions related to SDGs for student community.

Find below some of activities at IAU.

## 2. Courses/Subjects related to Sustainability offered at IAU

### Description:

The following is the list of the courses under various programs which had embedded sustainability into its content offered by the University. The list also includes courses with sustainability under preparatory studies, and those that include the Sustainability in Practice Certificate as part of the core curriculum.

**Total number of courses with sustainability embedded for courses running during 2024/25: 687**

S. No.	Course Title focusing on sustainability	Credit Hours	Link
1	Biology 1	3	<a href="https://www.iau.edu.sa/en/courses/biology-1-3">https://www.iau.edu.sa/en/courses/biology-1-3</a>
2	Biology 2	3	<a href="https://www.iau.edu.sa/en/courses/biology-2-4">https://www.iau.edu.sa/en/courses/biology-2-4</a>
3	History and Civilization of Kingdom of Saudi Arabia	2	<a href="https://www.iau.edu.sa/en/courses/history-and-civilization-of-kingdom-of-saudi-arabia-4">https://www.iau.edu.sa/en/courses/history-and-civilization-of-kingdom-of-saudi-arabia-4</a>
4	Islamic Ethics and Values	2	<a href="https://www.iau.edu.sa/en/courses/islamic-ethics-and-values-0">https://www.iau.edu.sa/en/courses/islamic-ethics-and-values-0</a>
5	Woman Health	8	<a href="https://www.iau.edu.sa/en/courses/woman-health">https://www.iau.edu.sa/en/courses/woman-health</a>
6	Child Health	8	<a href="https://www.iau.edu.sa/en/courses/child-health">https://www.iau.edu.sa/en/courses/child-health</a>
7	Mental health	8	<a href="https://www.iau.edu.sa/en/courses/mental-health-2">https://www.iau.edu.sa/en/courses/mental-health-2</a>
8	Family Medicine	8	<a href="https://www.iau.edu.sa/en/courses/family-medicine">https://www.iau.edu.sa/en/courses/family-medicine</a>
9	Health Service Management	2	<a href="https://www.iau.edu.sa/en/courses/health-service-management">https://www.iau.edu.sa/en/courses/health-service-management</a>
10	Geriatrics	4	<a href="https://www.iau.edu.sa/en/courses/geriatrics">https://www.iau.edu.sa/en/courses/geriatrics</a>

### 3. IAU Scholarly Publications on Sustainability:

#### 6.7 Number of Scholarly Publications on Sustainability:

**Scopus Indexed: 813 publications by IAU researchers in 2024**

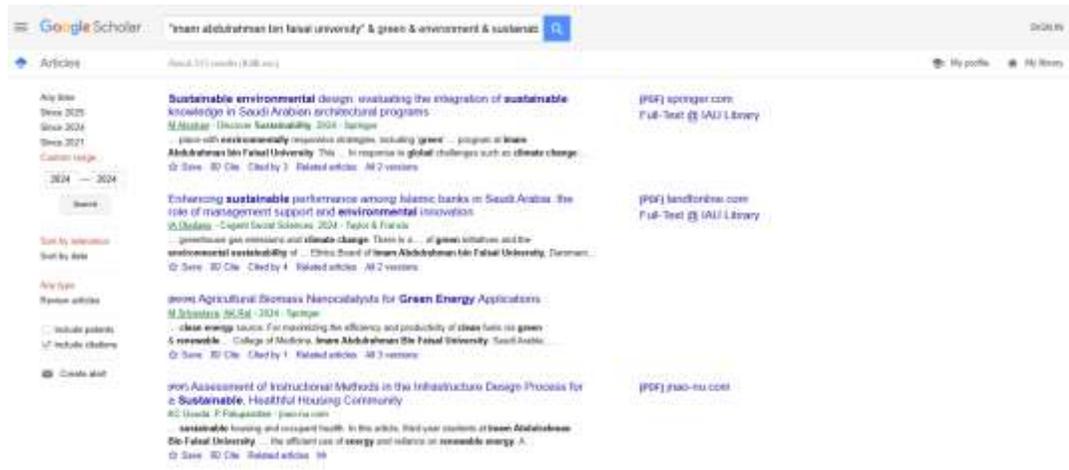

**Google Scholar: 313 publications by IAU researchers in 2024**

1. Number of indexed publications (Scopus Indexed reputable journal) on environment and sustainability, published in one year period, using keywords: green, environment, sustainability, renewable energy, climate change:

The number of scholarly publications on environment and sustainability that were published by IAU researchers in Scopus-indexed reputable journals in 2024 was retrieved using **Scival software (as of 23.10.2025)** and keywords such as green, environment, sustainability, renewable energy, and climate change, and is shown below:

IAU & its affiliations	Scopus Indexed Publications
Imam Abdulrahman Bin Faisal University	813
<b>Total Publication with IAU and affiliations used by its researchers</b>	<b>813</b>

**2. Number of indexed publications (Google scholar Indexed reputable journal) on environment and sustainability, published in one year period, using keywords: green, environment, sustainability, renewable energy, climate change:**

**Search method: "imam abdulrahman bin faisal university" & green & environment & sustainability & renewable energy & climate change**

**Description:**

As in the above presented screenshot the scholarly publications on sustainability in Google Scholar has been taken in one year period, i.e., 2024 with affiliations used by the authors/researchers/faculty at Imam Abdulrahman Bin Faisal University (IAU).

The sustainability events pertaining to **scholarly publications on sustainability** in 2024 are as below: -

IAU & its affiliations	Google Scholar Publications
<b>Imam Abdulrahman Bin Faisal University</b>	<b>313</b>
<b>Total Publication with IAU and affiliations used by its researchers</b>	<b>313</b>

## Student Clubs

Student Clubs at Imam Abdulrahman Bin Faisal University are an important center for discovering and developing student's talent, as they allow them to have an educational experience that help them integrate into society, and contribute to providing a supportive environment for respectful dialogue and effective communication between students in order to invest in their free time, with considering the scientific and educational foundation and under the supervision of a group of educational specialists.

**Student Clubs - Male Students**

- Scouts Club
- Photography Club
- Health Club
- Intellect Club
- Book Club
- Athletes Club
- Theater Club
- Integrity Club
- Badm Club
- Scholarship Club
- Determination Club
- Vision 2030 Club
- Light Club
- Student Housing Club
- Media & Student Relations Club

**Student Clubs - Al Rakah - Female Students**

- Digital Club (Male)
- Leadership Club
- Awwag Club
- Development Club
- Al Noreen Club
- Sona Club

**Student Clubs - Al Rayyan - Female Students**

- Digital Club (Male)
- Sports and Health Club
- Deem Club for Training and Volunteering
- Animal Club
- Al Noreen Club
- Tennis Club for female students
- Toastmaster Club

**Student Clubs - Applied College - Female Students**

- Alarwen Club
- Warm Club
- We Read Club

**Student Clubs - College of Sciences and Humanities in Jubail - Female Students**

- Qeen Club

**Student Clubs - College of Applied Medical Sciences in Jubail - Female Students**

- Waa Club

## 12.320 Students Participate in the “Mawhiba Academic Enrichment Program” at IAU

### 320 Students Participate in the “Mawhiba Academic Enrichment Program” at IAU

The 2025 edition of the Mawhiba Academic Enrichment Program was launched today at Imam Abdulrahman bin Faisal University, in partnership with the King Abdulaziz and His Companions Foundation for Giftedness and Creativity (Mawhiba), with the participation of 320 male and female students. The program adopts an integrated approach aimed at enriching knowledge, enhancing students’ competence and readiness, and building their scientific and practical expertise according to international methodologies. It also aspires to prepare outstanding national talents capable of meeting the demands of development and competing effectively and distinctively in both local and global job markets.

## 13. Participation of College of Engineering of IAU in Energy Debate

#College\_of\_Engineering of IAU proudly participates with its teams in the Energy Debate at King Fahd University of Petroleum and Minerals, where the college team secured second place 🏆 among the universities of the Eastern Region.

[https://x.com/CE\\_IAU\\_SA/status/1884486325786604026](https://x.com/CE_IAU_SA/status/1884486325786604026)

## 14. Participation of College of Engineering Students of IAU in developing the High Concentrated Photovoltaic (HCPV) system

Supported by #ImamAbdulrahmanBinFaisalUniversity, #Engineering College participated in developing the High Concentrated Photovoltaic (HCPV) system in collaboration with King Abdullah City for Atomic and Renewable Energy and the American company "Arzon Solar," achieving highly efficient results under harsh desert conditions and high temperatures.

تطوير نظام الطاقة الكهروضوئية المركزة (HCPV)

استكمال ونجاح للمشروع

بشراكة بين مدينة الملك عبد الله للطاقة الذرية والمتجددة، وجامعة الإمام عبد الرحمن بن فيصل، والشركة الأمريكية "أرزون سولار"

ما هي مميزاتة؟

- فترة نوعية مصممة لتحمل الظروف الصحراوية القاسية ودرجات الحرارة المرتفعة
- تقنية متطورة بخصائص عالية الكفاءة لتكثيف ضوء الشمس على خلية شمسية متعددة الطبقات
- 40% هي كفاءة التحويل

إطلاق مشروع المسح الجغرافي لمشروعات الطاقة المتجددة

1,200 محطة لرفع الطاقة الشمسية وطاقة الرياح في مختلف مناطق المملكة

أسندت عقود تنفيذ المشروع إلى شركات وطنية

## 16.Mechanical and Energy Engineering Laboratories at IAU

The given webpage link (refer to Mechanical and Energy Engineering Laboratories) shows the presence of the **Mechanical and Energy Engineering Laboratories** in the College of Engineering of IAU. Among various labs, **the renewable energy lab** is the one that has essential equipment with full instrumentation to allow students to investigate the effective use of **solar energy** as a renewable, environmentally friendly energy source.

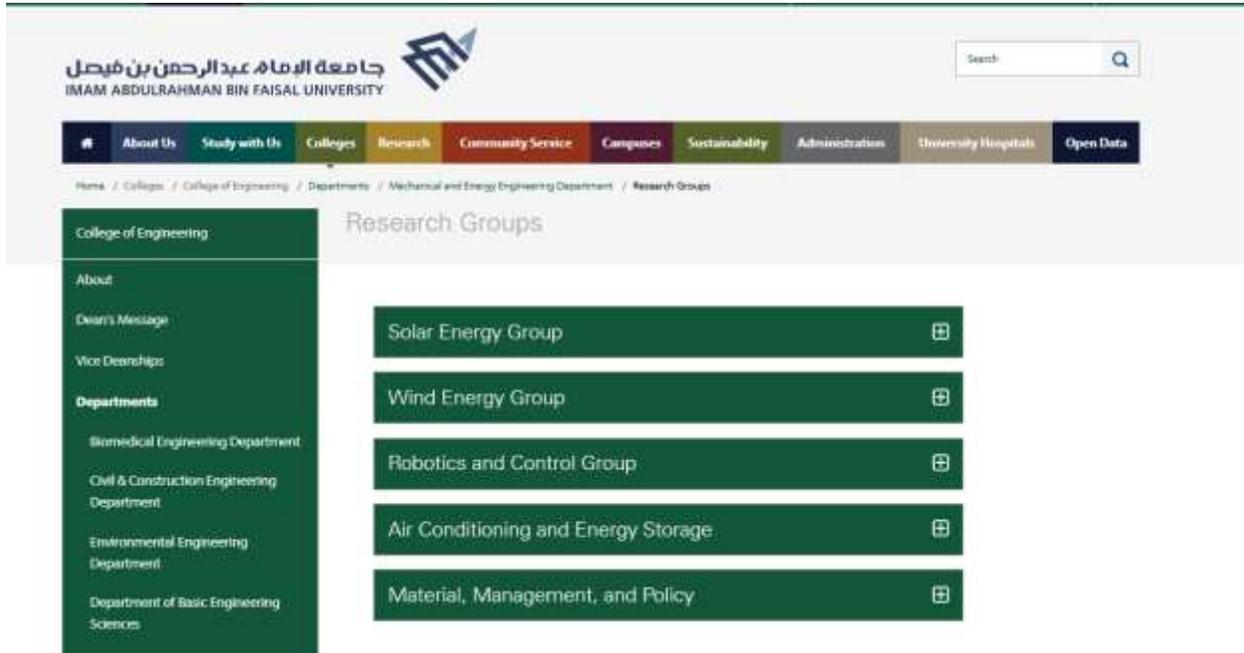

College of Engineering

Mechanical and Energy Engineering Laboratories

- Thermodynamics Lab
- Fluid Mechanics Lab
- Refrigeration and Air Conditioning Lab
- Heat and Mass Transfer Lab
- Renewable Energy Lab
  - overview
  - The Renewable Energy lab houses some essential equipment with full instrumentation to allow

## 17. Research groups on Energy at IAU

The screenshot displays the website of Imam Abdulrahman Bin Faisal University (IAU). The header includes the university's name in Arabic and English, along with a search bar. A navigation menu contains links for About Us, Study with Us, Colleges, Research, Community Service, Campuses, Sustainability, Administration, University Hospitals, and Open Data. The breadcrumb trail indicates the current location: Home / Colleges / College of Engineering / Departments / Mechanical and Energy Engineering Department / Research Groups. The main content area is titled "Research Groups" and lists five groups, each with a corresponding icon:

- Solar Energy Group
- Wind Energy Group
- Robotics and Control Group
- Air Conditioning and Energy Storage
- Material, Management, and Policy

A sidebar on the left provides navigation for the College of Engineering, including links to About, Dean's Message, Vice Deanships, and a list of departments: Biomedical Engineering Department, Civil & Construction Engineering Department, Environmental Engineering Department, and Department of Basic Engineering Sciences.
