The College of Dentistry at Imam Abdulrahman Bin Faisal University (@IAUdent) is organizing the Unified Gulf Week for Oral and Dental Health campaign to raise awareness and educate about oral diseases and prevention methods. The campaign includes various booths for check-ups, held at Sharafat Park Complex in the city of Khobar.

<https://x.com/IAUdent/status/1894655779984097298>

10. Health Awareness Campaign by IAU for Oral and Dental Health at International Technical Female College, Al Khobar

The College of #Dentistry, in collaboration with the International Technical College for Girls in Khobar, is organizing an awareness corner about the importance of maintaining oral and dental health and its impact on physical and psychological well-being. This is part of the activities of #World_Health_Day, aiming to enhance community awareness of the importance of prevention and care for oral health as an integral part of general health and quality of life.

<https://x.com/IAUdent/status/1920066058674700735>

11. Awareness IAU Biology Department Members visited Students Projects at Al-Salam Private Schools

Members of the Biology Department @IAU_cs Dr. Inas Al-Hammami, Dr. Nadia Al-Qazlan visited the exhibition of student projects participating in the National Olympiad for Scientific Creativity #2026_إبداع at Al-Salam Private Schools, to view the projects and provide scientific support and feedback to the students.

<https://x.com/DepOfBiology/status/1980017348812661224>

12. IAU Organized Educational Exhibition at DAS Schools

The Department of Health Information Management and Technology organized an educational exhibition at @DAS_Schools titled "A Model Digital Healthy East for Sustainable Volunteer Campaigns" under the supervision of Dr. Nawaf Al-Qahtani and with the participation of the Respiratory Care Department at @CAMSIU and the College of @Nursing_IU

The exhibition included 12 awareness campaigns on various health technology topics.

https://x.com/IAU_CPH/status/1862910619201970321

13. Special Smile Campaign by IAU at the Elite of the Generation Center

Volunteers from the College of #Dentistry organized a #Special_Smiles campaign at the Elite of the Generation Center, where the volunteers provided screening and education on oral and dental health. Our utmost gratitude to all the volunteers for their dedicated efforts and to the center's management for their warm reception.

<https://x.com/IAUdent/status/1975861170553647107>

14. College of Dentistry of IAU visited Samma Al-Atfal Center for My Teeth My Identity Campaign

The volunteer team from the #Dentistry_College participated in a visit to the Samaa Al-Atfal Center as part of the #MyTeeth_MyIdentity campaign for oral and dental health check-ups and education.

Heartfelt thanks to all the volunteers participating in the campaign and to the center's administration for their warm hospitality.

<https://x.com/IAUdent/status/1975856282923155938>

15. My Teeth My Address Campaign by College of Dentistry, IAU at the Apple Seeds Center

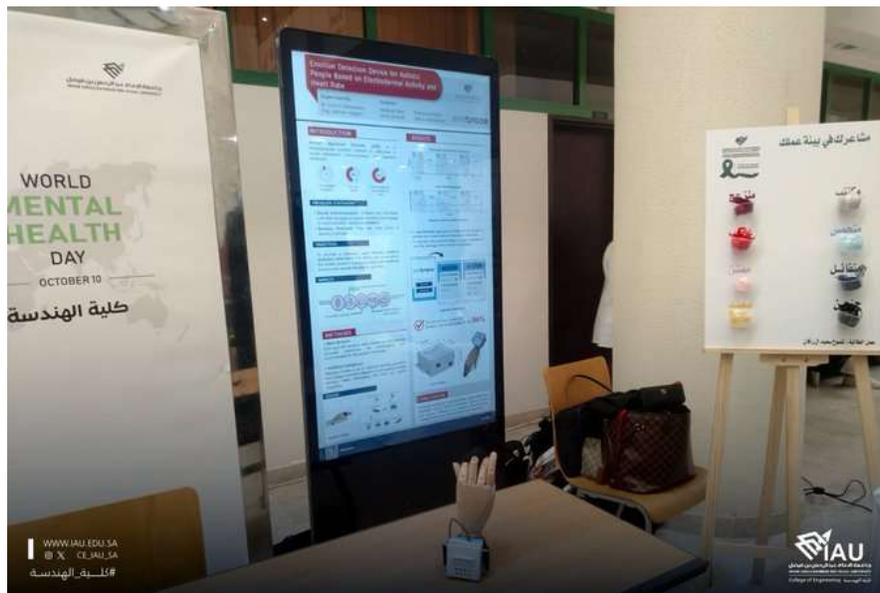

The volunteer team from the College of #Dentistry participated in a visit to the Apple Seeds Center as part of the #MyTeeth_MyAddress campaign for oral and dental health check-ups and education. Our deepest gratitude to all the volunteers who participated in the campaign and to the center's management for their excellent hospitality.

<https://x.com/IAUdent/status/1974779331915440326>

16. College of Engineering, IAU, showcased an Innovative Project for World Mental Health Day

#College_of_Engineering, in collaboration with the University Counseling Center, participated in the activities of World Mental Health Day at the Health Colleges building, and the college showcased a model of an innovative engineering project aimed at supporting and improving human mental health.

https://x.com/CE_IAU_SA/status/1983180690226327736

17. College of Medicine of IAU organized a Workshop for improving Mental Health of Trainees

The College of Medicine at #جامعة_الإمام_عبدالرحمن_بن_فيصل organized a workshop for faculty members and medical fellowship trainees at the College of Medicine, with the participation of Professor Dr. Anurag Saxena from the University of Saskatchewan in Canada, and with the participation of Dr. Ibrahim Al-Zahrani, Dr. Faisal Al-Qurashi, and Dr. Anas Al-Sha'er (Department of Orthopedic Surgery), and Dr. Samir Al-Ustadh (Department of Pediatrics). The workshop aims to improve the mental health of trainees and to establish handling of evaluation and feedback.

https://x.com/Med_iau/status/1969045791973978462

17. IAU Conducted Awareness Campaign for World Glaucoma Week at Shurafat Park

The Dean of the College of Medicine, Dr. Bassam Awari, inaugurated the awareness campaign for World Glaucoma Week, held at (Shurafat Park) in the presence of the Executive Director of @IAU_KFHU, Prof. Dr. Mohammed Al-Shehrani, the Director of Medical Services, Dr. Majed Al-Abdali, the Head of the Ophthalmology Department, Dr. Muhanna Al-Jandan, and several department heads and doctors. The campaign included educational booths as well as immediate eye examinations for all visitors of various ages. The campaign aims to raise community awareness about the risks of glaucoma (the blue water disease).

https://x.com/IAU_KSA/status/1771653831362806186

18. IAU organized an event on "Together Towards Healthier and More Aware Mothers"

The College of Nursing organized an event for female nursing and midwifery students, as part of **community service activities** in collaboration with the Health Awareness Unit at #King_Fahd_University_Hospital affiliated with @IAU_KSA, under the title:

Together Towards Healthier and More Aware Mothers

With the aim of **spreading health awareness and promoting proper concepts of care for mothers and children.**

https://x.com/IAU_KFHU/status/1919842527365980337

19. IAU organized an International Neurology Conference at Le Meridien Hotel in Al Khobar

Under the generous patronage of the Amir of #Eastern_Region, the Acting President of #Imam_Abdulrahman_Bin_Faisal_University, Prof. Dr. Fahad bin Ahmed Al-Harbi, inaugurated the proceedings of the International Neurology Conference and its accompanying exhibition, organized by the Neurology Department at the College of Medicine and King Fahd University Hospital in Al-Khobar, affiliated with the university. The event will continue for two days, with the participation of a select group of scientists, researchers, and specialists in the field of neurology, at Le Meridien Hotel in Al-Khobar.

https://x.com/IAU_KSA/status/1854496940471333195

20. Field Visit by Marine Engineering Department of IAU

The Department of Marine Engineering organized a field visit for the first cohort students to Zamil Shipbuilding and Repair Company, where the students were introduced to the various fields of work in the shipbuilding industry, as a step aimed at enhancing the practical aspect and preparing them for the job market.

https://x.com/CE_IAU_SA/status/1976558183708848151

21. Engineering Students of IAU Participated in the third Renewable Energy Symposium and Exhibition

The #College_of_Engineering concluded the events of the third Renewable Energy Symposium and Exhibition, after days filled with scientific contributions and fruitful workshops, thanking all participants and supporters for their contributions to the success of this event.

https://x.com/CE_IAU_SA/status/1912930146014703621

22. Participation of College of Engineering of IAU in Energy Debate

#College_of_Engineering proudly participates with its teams in the Energy Debate at King Fahd University of Petroleum and Minerals, where the college team secured second place 🏆 among the universities of the Eastern Region.

We thank the teams for their outstanding performance and wish them continued success.

https://x.com/CE_IAU_SA/status/1884486325786604026

23. Participation of College of Engineering of IAU in Energithon Event at King Fahd University of Petroleum and Minerals

As #College_of_Engineering proudly shares, its team participated in the “Energithon” event at King Fahd University of Petroleum and Minerals as the only team from outside the university, achieving second place 🏆.

We congratulate our team on this distinguished accomplishment and wish them continued success and prosperity.

https://x.com/CE_IAU_SA/status/1884528765310517480

24. Mechanical and Energy Engineering Department of IAU in the Water Research Community Initiative organized by the Saudi Water Authority

We are proud of the participation of the Mechanical and Energy Engineering Department in the fifth edition of the Water Research Community Initiative organized by the Saudi Water Authority, through the presentation of two research papers and the participation of the department head, Dr. Mosaed Al-Zahrani, as a speaker in one of the dialogue sessions.

25. Health Information Management and Technology

Department of IAU participated in the "Intaj" team at the Injaz Hackathon, organized by the Saudi Data and Artificial Intelligence Authority (SDAIA)

Student Dimah bin Shamilan and graduate Saja Al-Amir from the Health Information Management and Technology Department participated in the "Intaj" team at the Injaz Hackathon, organized by the Saudi Data and Artificial Intelligence Authority (SDAIA), to explore ways artificial intelligence can contribute to achieving high efficiency and reducing resource waste.
