## 8. IAU Launches the Awareness Initiative (Ribbon of Hope) In conjunction with Breast Cancer Awareness Month

Coinciding with the global Breast Cancer Awareness Month, Imam Abdulrahman Bin Faisal University today launched its awareness campaign for early detection of breast cancer under the theme "Ribbon of Hope." The initiative was inaugurated by the acting president of the university, Prof. Fahad Al-Harbi. The campaign aims to reduce breast cancer incidence and mortality rates through community awareness and early detection. It also seeks to facilitate access to quality healthcare and empower women with the knowledge and resources needed to enhance breast health. Additionally, the initiative works to build and strengthen partnerships to ensure equitable access to healthcare for targeted groups, including the Eastern Province community and university campuses in Dammam, Khobar, Dhahran, and Jubail.
