## 5. Obstetric Anal Sphincter Tear workshop

Good morning from the Simulation Center at #IAU! We are kicking off our Repair of Obstetric Anal Sphincter Tear workshop with great excitement!

Looking forward to a day of learning, hands-on practice, and insightful discussions! Stay tuned for updates! #OBGYN #MedicalEducation

[https://x.com/Obgyn\\_iau/status/1892124249424372071](https://x.com/Obgyn_iau/status/1892124249424372071)

## 6. Saudi Society for Maternal Fetal Medicine

The Saudi Society for Maternal Fetal Medicine is pleased to invite you to attend the Third International Conference, February 20-22, 2025, at Imam Abdulrahman Bin Faisal University.

Specialized workshops, leading speakers, the latest developments in this field, and much more await you. Hurry and register your attendance!

<https://x.com/ssmf/status/1891920897985900661>

## 7. Hysteroscopy Workshop

Hosted another Hysteroscopy Workshop, organized by Dr. @fayahlam , reinforcing our commitment to hands-on training and surgical excellence. Participants refined their skills in gynecologic procedures under expert guidance, continuing our tradition of advanced education!

<https://x.com/OBGYNClubIAU/status/1884641041468227771>

## 8. Cervical Cancer Campaign

Raised awareness with a Cervical Cancer Campaign organized by @OBGYNClubIAU. This campaign focused on serving the community and educating women about the importance of HPV vaccine and regular screenings. A great initiative to promote awareness and create a positive impact
