 جامعة الإمام عبد الرحمن بن فيصل IMAM ABULRAHMAN BIN FAISAL UNIVERSITY POLICY AND PROCEDURES		Date: 03.08.2019 Revision: 6 ADM-GEN-002
DEPARTMENT : ADMINISTRATION		
Effectivity:	31 Aug 2019	Supersedes: 5
Review Date:	01 Sept 2024	No. of Pages: 10

1. **TITLE:** NO SMOKING POLICY IN IAU FACILITIES
2. **PURPOSE:**
 - 2.1. The primary purpose of this policy is to safeguard an individual who do not smoke from secondhand smoke. It is disseminated to recommend the guiding principle for "No Smoking Policy in IAU" that applies to everyone on the IAU property, including staff members, patients, and visitors.
 - 2.2. Maintaining a smoke-free, environmentally friendly, and biophilic atmosphere in accordance with Royal Decree M/56, which was issued 28/07/1436 (May 17, 2015).
3. **DEFINITION:**
 - 3.1. **The Smoking Ban** This law, which was established by Royal Decree M/56 on 28/07/1436, Version 3, intends to combat smoking by implementing all necessary policies at the State, community, and individual levels to prevent smoking of any form among people of all ages. In order to promote healthy lifestyles, safer operations, and cleanliness at IAU, a requirement to ban smoking was enforced. The law is intended to safeguard citizens against the negative effects of tobacco use and smoke exposure on their health, as well as their social, economic, and environmental well-being.
 - 3.2. **Smoking** which is the act of breathing in and out the gases from burning plant material. Emitting apparent smoke or vapour.
 - 3.3. **Smoke-free air** which cannot be detected by sight, smell, touch, or measurement, is air that is completely free of tobacco smoke and electronic cigarette use.
 - 3.4. **Tobacco derivatives**, such as cigarettes, cigars, jarak, toombak, mu'assel, e-cigarettes, pipe tobacco, tobacco chewed and kept in the mouth, shamma, swika, snuff, and temple, as well as any other product containing raw or processed tobacco in any other form, are all prohibited under Section.
 - 3.5. **Vicinity** - refers to a specific location or area, including the open spaces between structures located in the same IAU area that are encircled by the aforementioned tract of land.
 - 3.6. **Property** is anything that the University owns, leases, occupies, or controls and over which it has a legal title and enforceable rights. Examples of real estate include structures, parking lots, and buildings.
 - 3.7. **Perimeter** - refers to the border line or the region immediately inside the University that is used or occupied by outside parties, regardless of whether the aforementioned parcel of land is separated from nearby walls or fences.
 - 3.8. **Violation ticket** - According to the Royal Decree M/56 of May 17, 2015, anyone found in violation of the anti-smoking policy, whether they be a member of the staff or a guest, shall receive a violation ticket. It will list the precise infraction, the administrative fine associated with it, and, if counseling for quitting smoking is considered essential, whether the violator is required to attend it.
