Imam Abdulrahman Bin Faisal University (IAU) provides free access to educational resources (i.e., lifelong learning measures) for outsiders of IAU for improving their education, and promoting lifelong learning among community.

Find below some of our Lifelong learning measures.

1. IAU Launches the Fifth Cohort of the Professional Fellowship

Imam Abdulrahman Bin Faisal University Launches the Fifth Cohort of the Professional Fellowship in University Teaching and Learning (PFUTL) in Partnership with the University of Turku, Finland.

The Deanship of Academic Development at Imam Abdulrahman Bin Faisal University (IAU) held the opening session of the fifth cohort (2025–2026) of the Professional Fellowship in University Teaching and Learning (PFUTL) program on Tuesday, October 7, 2025. The program is conducted in partnership with the University of Turku, Finland, and features the participation of distinguished faculty members from 22 Saudi universities and the Kingdom of Bahrain.

The PFUTL program is recognized as one of the leading professional development initiatives at both the national and regional levels. It aims to enhance faculty members' knowledge, skills, and teaching practices, and to advance the quality of university education through the adoption of evidence-based teaching approaches and the promotion of a culture of professional excellence in teaching and learning.

This year's cohort includes more than 90 faculty members, comprising 52 participants and 44 mentors from various Saudi universities, in addition to a participant from the Kingdom of Bahrain. This wide participation reflects the program's expanding reach and distinguished reputation in fostering academic excellence and innovation in higher education across the region.

2. The Innovative and Impactful University Teaching and Learning Practices Forum

The Innovative and Impactful University Teaching and Learning Practices Forum, organized by the Deanship of Academic Development, came to a close. The forum was inaugurated by His Excellency the University President, Prof. Fahd Ahmed Al-Harbi, with the participation of more than 20 presenters, 40 participants in discussion groups, and an audience of over 300 faculty members from various disciplines. The forum aimed to enhance collaboration and interaction among faculty members, fostering the exchange of innovative ideas and perspectives that contribute to the advancement of university education. The opening session also included the recognition of 22 academic departments distinguished in the results of the national assessments. Dean of the Deanship of Academic Development, explained that Imam Abdulrahman Bin Faisal University continues to host its annual forum on developing university education, attracting distinguished participation from academic leaders and faculty members from within and outside the university. He pointed out that the forum addresses the rapid developments in higher education practices and aligns with the objectives of Saudi Vision 2030.

3. Conclusion of the Student Fellowship Program and Honoring Participants

In the presence of the Acting President of the University, Prof. Abdulwahed H. Al Mazrua, and the Vice President for Academic Affairs, Dr. Abdullah M. Almuhaideb, the activities of the Student Fellowship Program for Skills Excellence (Cohort 2025) concluded on Tuesday, July 22, 2025, during a recognition ceremony held to celebrate the achievements of 52 outstanding students representing 8 Saudi universities. The ceremony included the honoring of students who successfully completed the program requirements, in addition to recognizing the contributions of trainers, mentors, and supporting partners. Awards of distinction were also presented to participants whose projects and student-led initiatives were selected as the most impactful.

4. Imam Abdulrahman bin Faisal University (IAU) Concludes the 8th Edition of the Mawhiba Academic Enrichment Program.

Under the patronage of His Excellency Professor Dr. Fahd bin Ahmed Al-Harbi, President of Imam Abdulrahman bin Faisal University, and in the presence of the Vice President for Academic Affairs, Dr. Abdullah bin Mohammed Al-Muhaideb, the university concluded the Mawhiba Academic Enrichment Program in partnership with the King Abdulaziz and His Companions Foundation for Giftedness and Creativity (Mawhiba). The closing ceremony was held in the Grand Conference Hall, with the attendance of the General Supervisor and Head of the Boys' Program, Dr. Nasser bin Saud Al-Rayes, the esteemed Head of the Girls' Program, Dr. Mashael Al-Namshan, as well as program deputies, instructors, and students. Dr. Abdullah Al-Muhaideb stated: "Today we gather to conclude the 2025 Mawhiba Academic Enrichment Program, proudly hosted by Imam Abdulrahman bin Faisal University over the past three weeks in fruitful collaboration with Mawhiba, a pioneering national institution in discovering, nurturing, and developing gifted individuals. One of the main goals of Saudi Vision 2030 is to prepare citizens to be globally competitive. Within this program, Mawhiba developed rigorous academic curricula in specialized fields in partnership with local and international universities, while the university ensured the selection of highly qualified trainers who are graduates of prestigious institutions to empower 320 gifted male and female students to compete globally."
