Imam Abdulrahman Bin Faisal University (IAU) hosted various educational events that are open to the general public for improving the education, and wellbeing of the people in the community.

Find below some of our educational events for Public.

1. IAU Hosts International Webinar on Higher Education and Sustainability

Dammam – Imam Abdulrahman Bin Faisal University (IAU), represented by the Deanship of Academic Development, hosted an international webinar titled "University Education for Sustainability: Building Skills for Lifelong Impact" on Tuesday, November 26, 2024. The event was attended by Dr. Abdullah Al-Muhaidib, Vice President for Academic Affairs, who emphasized the university's commitment to sustainability through education and its role in empowering faculty members.

The webinar aimed to advance the integration of sustainability in higher education and enable faculty members to adopt practices that align with the Sustainable Development Goals. The event drew 245 participants, including faculty members and national and international experts.

2. IAU Concludes the 8th Edition of the Mawhiba Academic Enrichment Program.

Under the patronage of His Excellency Professor Dr. Fahd bin Ahmed Al-Harbi, President of Imam Abdulrahman bin Faisal University, and in the presence of the Vice President for Academic Affairs, Dr. Abdullah bin Mohammed Al-Muhaideb, the university concluded the Mawhiba Academic Enrichment Program in partnership with the King Abdulaziz and His Companions Foundation for Giftedness and Creativity (Mawhiba). The closing ceremony was held in the Grand Conference Hall, with the attendance of the General Supervisor and Head of the Boys' Program, Dr. Nasser bin Saud Al-Rayes, the esteemed Head of the Girls' Program, Dr. Mashael Al-Namshan, as well as program deputies, instructors, and students. Dr. Abdullah Al-Muhaideb stated: "Today we gather to conclude the 2025 Mawhiba Academic Enrichment Program, proudly hosted by Imam Abdulrahman bin Faisal University over the past three weeks in fruitful collaboration with Mawhiba, a pioneering national institution in discovering, nurturing, and developing gifted individuals. One of the main goals of Saudi Vision 2030 is to prepare citizens to be globally competitive. Within this program, Mawhiba developed rigorous academic curricula in specialized fields in partnership with local and international universities, while the university ensured the selection of highly qualified trainers who are graduates of prestigious institutions to empower 320 gifted male and female students to compete globally.
